

Ofsted 2019 says...

“Pupils love their school. They enjoy coming to Meir Heath and feel happy and well cared for.”

“Pupils’ behaviour is excellent. Lessons are free from any disruptions. They work hard and do well.”

“Leaders want all children to do well and be happy”

Meir Heath Academy

‘Happy, Hard Working and Caring’

Proud members of St Bart's Multi Academy Trust

I am incredibly proud to be the Principal of Meir Heath Academy and I can honestly say that I have the best job in the world!

I have the perfect recipe for a school: delightful children, exceptionally supportive parents, as well as truly dedicated and hard working staff who love our children just as much as I do.

At Meir Heath, our vision is centred on a commitment to excellence in learning and high expectations for academic achievement as well as relationships and behaviour.

And thus our values are *'Happy, Hard Working and Caring'*.

We thrive on the opportunities provided by our curriculum, within a stimulating, creative and energising educational development.

Last year, Meir Heath Academy became one of only a few schools to become an Apple school. This means that every child from Y1 to Y6 now has their own iPad provided by the school and we believe that this has taken our teaching and learning to a whole new level, placing us at the cutting edge of technology.

Many say, once you join the Meir Heath family, you'll never leave. Many parents were pupils here and wouldn't send their child anywhere else. Staff too!! Many have joined as newly qualified teachers and wouldn't want to teach anywhere else. I took on the role as Deputy twelve years ago and stepped into the Principal role five years ago. Between the five members of the Senior leadership team we total over 93 years of being part of the Meir Heath Family — that's a lot of dedication and love.

New family members always welcome

Mrs Melanie Southern

School Day: settling in and our curriculum

School hours: Children can arrive at 8:45am and the end of the school day is 3:30pm

Uniform

At Meir Heath Academy, we regard uniform as an important ingredient of what makes us a great team. The children recognise that working together is important and that uniform helps us to feel like a team, makes pupils look smart and shows others who we are, wherever we are.

The children wear badged sweaters with the school logo, but everything else is available in supermarkets, so that we have a good a balance between being identifiable and the benefits of low costs and availability.

Parents can purchase our school uniform at two places: **Smart Uniform** and **Schools In!**

Smart Uniform

Telephone: 01782 713 650

School Meals and Snacks

The school provides a wide range of healthy meals that are cooked and prepared on the premises. We have a 5 star hygiene rating.

Meals are currently free for children in Reception and KS1.

Curriculum Enrichment

Ofsted 2019

"Leaders want every pupil to achieve their best. In order to meet these high aims, leaders have created an ambitious curriculum for all pupils"

Pupil Passport

Leaders plan trips and educational visitors so that by the end of Y6 children will have experienced a range of trips. These include a trip to a castle, the zoo, a farm, a museum, an art gallery and many more. We also arrange for a multitude of visitors into school such as Key Strings Musicians, History off the Page. Teaching staff also plan and deliver curriculum days.

We have specialist teachers who deliver the PE and music curriculum.

Across the school, we deliver a program called, 'Jigsaw'. This incorporates the latest research, science and technology to help children develop lifelong habits which build on resilience, self-esteem and character for them to learn and thrive.

More details of our curriculum, as well as the topics that each class covers, can be found on the school website.

Dojo Rewards

Meir Heath Academy has a whole school approach to behaviour.

Children earn dojos for good behaviour.

Children can save up their dojos and choose their reward. These range from having lunch with the Principal to a homework pass. The younger children can choose a Principal Sticker or Principal's wristband each time they reach a multiple of 20 dojos.

Class Dojo Awards

Each class decide on a class reward and all children in the class work towards collectively achieving the target so that they can earn a whole class treat.

Enriched curriculum: trips, outdoor learning and clubs

Sport

Sport is a high priority at Meir Heath and we are extremely fortunate to have our own PE specialist teacher, Mr Wilkinson, who has taught at Meir Heath for 16 years and is loved by all.

The quality of Physical Education is outstanding and he has expertly led the school to achieve The Sports Mark Gold for the last 5 years and this means that we are soon to be awarded the prestigious Platinum Award.

Residential Trips

Children in Y3 have the opportunity to take part in an overnight stay linked to their Stone age topic. They use authentic tools to make necklaces, cook on an open fire and take part in shelter building and a drumming workshop around the campfire.

Children in Y6 stay over for 4 nights with the focus on water sports, high rope climbing and even have a masterclass in fencing.

Music

Music and performance is a key strength in the school and Mrs Pickering, our music teacher, shares her love and passion as she teaches weekly lessons across the school.

Children Y3 upwards have the opportunity to play a number of instruments including keyboard, drums and woodwind.

Extra Curricular Clubs

The school offers an exciting range of lunchtime and after school clubs.

Examples include: tag rugby, table tennis, choir, recorders, boxercise, cross country, indoor athletics, bug club, Lego to name a few.

Parent Involvement

To help parents plan ahead, our calendar of events for parental involvement is shared with parents at the beginning of the academic year, as many of our parents are working parents.

We have numerous opportunities throughout the year for parents to join in with the learning. These include:

Parent Go Outdoors

Big Art

St Bart's Multi Academy Trust

We are proud members to be part of St Bart's MAT.

This enables our staff to access first class CPD as well as professional networking with the eighteen primary schools within our Trust.

We are expertly supported as well as suitably challenged to enable us to provide a first class education for all of our pupils.

Friday Celebration Assembly

This is Meir Heath Family's favourite part of the week.

Led by Mr Wilkinson and our Year Six cheer leaders, staff and children all dance down the red carpet as they enter the hall.

We celebrate children who have been nominated for a Principal's Award, reading stars, class of the week and have a weekly raffle for classes who have achieved the school attendance target of 97%.

Children who have been nominated for Principal's award then join Mrs Southern for her Friday Principal's Picnic in the outdoor classroom.

Outdoor Classroom

We are lucky enough to have fabulous grounds and have developed a wildlife area with its very own outdoor classroom. We also have an area of raised beds where we grow our own edible produce.
