

Spanish

Intent

- Children develop curiosity of Spanish and cultural understanding through routine specialist teaching.
- Children use the 'Language Angels' scheme to develop skills in speaking, listening, reading and writing.
- Children are taught and frequently revisit the Spanish phonics to support accurate pronunciation.
- Children explore the Spanish language in a fun and stimulating environment through the use of song, games and stories.
- Children speak Spanish with increasing confidence and fluency supplemented by the use of iPads.
- Children understand and respond to spoken and written language.
- Through discussion and asking questions, pupils are able to communicate their thoughts with increasing accuracy of pronunciation and emotion.
- Children have opportunities to write at varying length and understand the audience and purpose of the writing.
