

OUTDOOR LEARNING at MEIR HEATH ACADEMY

What a lesson looks like...

- Lessons are designed to enrich children's learning across the school.
- Lessons are planned to link to the current topic or area of the curriculum.
- Children have opportunities to get closer to nature.

LEARN
AS YOU
GROW

Cultural Capital

- The school Eco Council promotes environmental awareness across the school and gets children involved in activities which support the environment.
- Gardening after school club
- Outdoor learning club
- Trust Sustainability Pledge.

Outdoor Learning beyond MHA

- Different outdoor experiences offer opportunities for personal and learning skills in many areas, such as communication and problem solving that can be used beyond primary school.

Outdoor Learning in EYFS

- Children have daily access to the outdoors with area and activities provided which are linked to the seven areas of learning.
