

JOURNAL ENDS

Communication and Language

- Further develop our listening skills through learning songs, sharing stories, talking partner time
- We will continue to explore new vocabulary throughout the day
- Develop our ability to answer and ask questions - ask questions to clarify and deepen our understanding
- Share our ideas in well-formed sentences, learning how to use past, present and future tense correctly
- Describe events in some details, using adjectives where possible
- Learn nursery rhymes, poems and songs
- We will continue to develop our understanding to be able to follow more complex sentences

Physical Development

- Through multi skills and games, develop more fluent style of moving with more control
- Gross motor - bikes, scooters, stilts, ball games, balancing beams
- Fine motor - play-dough activities, tweezer activities, drawing, sand tools
- Scissor skills - cut/snip different media to create a product

Personal, Social, Emotional Development

- Talk about how we can help our families with jobs at home.
- Learn the skills needed to make friends, to stop us feeling lonely.
- Think of ways to solve problems and stay friends.
- Understand how unkind words can make us feel
- Learn how to manage our feelings.
- Demonstrate how to be a good friend and why this is important.

Literacy

- Learn some space facts and write them in sentences
- What would you take into space with you?
- Sequence the story of Handa's Surprise
- Write about your favourite animal/fruit from the story
- Write a 'Visit Kenya' leaflet

Phonics

- Basics 3 - oo, oo (u), ar, or, ur, ow, oi, er ure, ear, air,

Maths

- Exploring patterns
- Counting on and counting back
- Numbers to 20
- Numerical patterns
- Mastering Number
- Composition
- Comparison
- Counting beyond 20
- Patterns within 10
- Automatic recall

Understanding the World

- Explore the natural world - learn about space.
- Compare images from the past and learn about significant people from the past - Neil Armstrong
- Make observations and compare the physical features of Stoke on Trent and Kenya
- Sort and group animals found in Africa and animals found in the UK
- Compare and discuss similarities of homes in the UK to homes in Kenya
