

## Allocating Work on Active Learn

All children, in all year groups, have been set up with pupil logins to the Active Learn Platform. This means that in the event of a child /bubble having to self-isolate, lessons can be allocated to each child's 'pupil world'. The platform is very child friendly and the children can earn coins by completing the lesson to use in their own worlds!

Log into the Active Learn platform: <https://www.activelearnprimary.co.uk/login>

Sign in

Username  
Your username is required.
